Ambedkar Nagar

**Mr. Vikas Patel**

Assistant Professor  
Rajkiya Engineering College  
Ambedkar Nagar

**Objective :** The impact of pandemic Covid-19 on education and employment is very deep and entrenched. On assessing the alarming situation, governments both at centre and states are working very hard to regain normalcy. The biggest challenge to governments is to bounce back to pre-pandemic time both in terms of employment generation and economic value creation. The fundamental aim of this webinar to communicate with young minds on 'Career in Entrepreneurship'.
