RAJKIYA ENGINEERING COLLEGE AMBEDKAR NAGAR- 224122 (UP)

(Established by Government of Uttar Pradesh)

Minutes of Meeting Held on 24 Aug 2018

A meeting was held in the office of the Director to discuss, the issue related with TEQIP-III faculty.

As per directions of MHRD, all the Institutions covered under TEQIP-III scheme have to go for NBA. To meet out the basic requirement of FSR (15:1) all sanctioned posts (47) must be filled before the visit of team. As only 33 regular faculty members have joined in Rajkiya Engineering College Ambedkar Nagar and 14 posts are vacant, present FSR with regular faculty is more than 21:1 which do not fulfil necessary FSR (prequalifier).

To meet out the eligibility criteria of FSR, the college has decided to go with contractual guest faculty appointed in the month of July 2018. This ratio was required for current year and in previous three years also.

Hence, in reference to email of SPA dated 16 Aug 2018, it is decided that the college will not opt faculty from TEQIP-III, as it was mandated by NPIU to go for NBA for Electrical Engg. & Information Technology program.

As we have to upload e-SAR for Civil Engg. Department in future, some of the contractual guest faculty working previously in the college on the recommendations of selection committee were also engaged so that we can maintain the FSR for next year.
