Technical Education Quality Improvement Program
An initiative of MHRD

Objectives

The Objective of the Workshop is an intensive entrepreneurship-training programme aiming at helping young and dynamic entrepreneurs to transform their ideas into achievements, up bring an attitudinal change and cultivate their entrepreneurial skills through an effective Entrepreneurial Project Formulation.

Course Content

Project and Skills – An Orientation; An Overview of Entrepreneurship Project Formulation; Project Identification; Preparation of a Business Plan; Financial Considerations in Entrepreneurial Project Formulation; Cash Flow Statement; Cost-Volume-Profit relationship; Break Even Analysis; Risk Analysis; Case Study on Preparation of a Project Report for setting up a New Enterprise

About the College

Rajkiya Engineering College (R.E.C.) Ambedkar Nagar was established by Government of Uttar Pradesh. The college has started offering B.Tech. Programme in three disciplines – Information Technology (IT), Electrical Engineering (EE) and Civil Engineering (CE) with intake of 60 seats in each branch from the session 2010-11.

The students are extensively exposed to cross-cultural environment as candidates from various other State such as Jammu & Kashmir, Madhya Pradesh, Rajasthan etc. join REC for various undergraduate programs. REC Ambedkar Nagar is fully residential college with four hostels for boys and two for girls.

The college is situated 3 Km away from the city (Akbarpur Bus Stand) on Tanda road near hawaipatti

(Air Strip). It is well connected through road and rail network. The nearest airport is Babatpur (Varanasi) which is about 120 Km far from the College.

Mission for Growth UP 2020 through STARTUP

Entrepreneurship is an opportunity for people excluded from society's formal work to insert in the national or local productive chain, increasing not only the value added of goods and services in the economy, but also the quality of life of its inhabitants by inserting them in the productive chain and thus reducing poverty. India being an ethno linguistic cultural heritage melting pot is in dire need of such initiatives from technocrats. Hence, REC Ambedkar Nagar, a UP-Technological Educational Institution, is starting this initiative to inspire the mass to become job creators, raising the standard of living, and giving technical and financial empowerment to the society.

Registration

Registration form in the prescribed format approved/sponsored by competent authority should reach to the Coordinator Mr. Vikas Patel/ Dr. Puneet Joshi on or before 14, Feb 2019. Registration fee for participants from AICTE approved institutions (Except REC, Ambedkar Nagar) is to be submitted through Demand Draft of Rs. 500/-issued in favour of "Director, Rajkiya Engineering College, Ambedkar Nagar" payable at Punjab National Bank,

Vikas Bhawan, Ambedkar Nagar or deposit in college Account No. 6257000100005758 (IFSC - PUNB0625700). Advance registration is mandatory for everyone.
