

## About REC Ambedkar Nagar

Rajkiya Engineering College (R.E.C.), Ambedkar Nagar was established by the Government of Uttar Pradesh in 2010 and is affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow. It is running B.Tech. Programs in three disciplines – Information Technology (IT), Electrical Engineering (EE) and Civil Engineering (CE). These courses are approved by AICTE, New Delhi. The students of REC Ambedkar Nagar are extensively exposed to cross-cultural environment as candidates from various other State such as Jammu & Kashmir, Madhya Pradesh, Rajasthan etc. join REC for various undergraduate programs. REC Ambedkar Nagar is fully residential institution with three hostels for boys and one for girls.

The Institute is situated 3 Km away from the city (Akbarpur Bus Stand) on Tanda road near hawaipatti (Air Strip). It is well connected through road and rail network. The nearest airport is Babatpur (Varanasi) which is about 100 Km far from the Institute.

Branch (STB11386), IEEE  
Chapters, Affinity Group

## Outline

Best Paper Awards will be presented to high quality papers in each track.

The disciplines/topics of interest include:

- Electrical Engineering
- Renewable and Sustainable Energy
- Civil Engineering
- Computer Engineering
- Mechanical Engineering
- Electronics Engineering
- Social Sciences
- Physical Sciences
- Mathematical Sciences
- Chemical Sciences
- Life Sciences
- Environmental Sciences
- Nano Technology
- Design, Materials and Manufacturing
- Materials Engineering

### PAPER SUBMISSION & SCOPE OF CONFERENCE

The aim of this Conference is to create an opportunity for participants to discuss about the Recent Researches and Innovations in Science, Engineering and Technology & So. Sciences. Original research contributions, technical papers and review papers on the following topics are invited for peer review and possible inclusion in the Conference Proceedings.

Interested candidates should submit their papers at <https://forms.gle/zz7SHsjW5XQtd6eXA>

After acceptance of the paper the candidate should proceed for registration. At least one author of each accepted paper is required to register and present their paper at the conference; otherwise paper will not be included in the proceedings. This conference will be a student conference in which papers of different scientific fields will be called for publication in conference proceeding with ISBN. The aim of this programme is to provide exposure to faculty members, practicing engineers, and students to the various new innovations and ideas that will be presented during this two day conference.

**Best Paper certificate will be given in each session**

#### Paper format:

IEEE double column (max. 5 pages)

## About the Department of Electrical Engg.

The department of Electrical Engineering at Rajkiya Engineering College Ambedkar Nagar offers a vibrant environment for undergraduate education in Electrical Engineering (Established in 2010). The Department of Electrical Engineering is actively engaged in teaching and research with modern laboratories and excellent members of faculty.

The under graduate programme provides the students with a strong background in the broad areas of Electrical Engineering, namely, Power Electronics, Machines, control technology, electronics, and power & energy. The department has a very sound and young faculty strength, most of them have their Masters and Ph.D. degree from IITs, NITs, Central Universities.
