RAJKIYA ENGINEERING COLLEGE
AMBEDKAR NAGAR

PLACEMENT BROCHURE
2021-2022

VISION

To attain the global level of excellence in scientific and technical education, fostering research, innovation, leadership qualities and entrepreneurial attitude, contributing to the advancement of the society and mankind.

MISSION

- *To enhance knowledge and skills of students in science, technology and human behaviour that will serve the nation.*
- *To create an ambience for new idea, research, innovation and entrepreneurial attitude, with a high level of ethics, communication and leadership qualities.*
- *To develop ability and passion to work wisely, creatively, and effectively in each member of college for the betterment of the mankind and all living beings.*

From the Director's Desk

Engineering offers a highly rewarding and lucrative career – one in which you can apply intuitive, imaginative and creative ideas to find appropriate solutions to the challenges faced by our society. I wish all our students success in sharing knowledge, ideas and solving important societal needs and issues.

It is my sincere endeavour to provide suitable environment- with transparency, impartiality and fairness- to all the students of the campus so that all can work in responsible and coordinated manner with their full potential to make it possible to fulfil all challenges. I am sure that, working as a team, we would be able to take our organization to the pinnacle of its glory.

On behalf of Rajkiya Engineering College (REC) Ambedkar Nagar, I take great pleasure in inviting you to find the best possible candidates as per your needs. We would be more than happy to receive your suggestions, if any, to further improve our academic programmes.

Once again many thanks.

Looking forward to see you at REC Ambedkar Nagar.

Prof. (Dr.) Sandeep Tiwari
Director, Rajkiya Engineering College, Ambedkar Nagar
(A U. P. State Government Institution)

TPC Incharge's Communique

Rajkiya Engineering College (R.E.C.) Ambedkar Nagar was established by Government of Uttar Pradesh in year 2010, however, in a very short spell of about 8 years, REC Ambedkar Nagar has turned into a centre of excellence in technical education to combat the growing need of technological professionals in India as well as in the World. The graduating students, from the very beginning, have continuously been able to excel not only in their fields of study but also in co-curricular activities. The alumni of our college are showing distinction in their respective positions.

At Rajkiya Engineering College, Ambedkar Nagar, we groom our students according to the needs of the industry. We open frontiers of technical knowledge and reveal new horizons of change, to broaden mind-sets of our students. Apart from the study, our students are also engaged in various cultural, sports and literary activities throughout the year.

I, therefore, invite the esteemed industries and organizations to visit our campus for the recruitment. It will be a privilege for us to welcome you at REC Ambedkar Nagar. We look forward for an enthusiastic participation from your organization during the year 2020-21.

Mr. Shivendra Kumar Pandey
Head HR, Training and Placement Officer
Rajkiya Engineering College, Ambedkar Nagar

About REC Ambedkar Nagar

Rajkiya Engineering College Ambedkar Nagar was established by Government of Uttar Pradesh in year 2010. The college offers B.Tech Programme in three disciplines – Information Technology (IT), Electrical Engineering (EE) and Civil Engineering (CE) with intake of 60 seats in each branches

REC Ambedkar Nagar has maintained an exemplary record of academic contribution for achieving excellence in teaching, research and governance. A sincere effort has now begun to restore the vantage position of REC Ambedkar Nagar as the top technological Institute in Uttar Pradesh. The students of REC Ambedkar Nagar are a cherry picked group. They have been chosen through a process that makes REC Ambedkar Nagar one of the most privileged institutes to get an admission.

Academic Programmes and Admission Procedure

- Admission in REC Ambedkar Nagar takes place through the counselling conducted by Dr A.P.J. Abdul Kalam Technical University Lucknow, Uttar Pradesh based on the merit of candidates in the Uttar Pradesh State Entrance Examination (UPSEE) except for Other State Nominees which are nominated by the Government of India.

- The Institute offers the following courses under semester system:

Undergraduate Programmes (B. Tech.) (4 years / 8 Semesters)

BRANCH	SANCTIONED INTAKE
Civil Engineering	60* + 3**
Electrical Engineering	60* + 3**
Information Technology	60* + 3**
Total	180* + 9**

* AICTE sanctioned intake,

** 5% additional intake in lieu of the Tuition Fee Waiver Scheme

Note:

(i) The Institution under the **AICTE Tuition Fee Waiver Scheme** has been allowed to admit 5% of its sanctioned intake as an additional intake in the same discipline/branch of study.

(ii) In addition to the above, a total number of **10 students** as **Other States Nominees** on behalf of the Govt. of India are admitted.

(iii) **5%** seats on the total sanctioned intake approved by AICTE are available for Non-Resident Indians **(NRI).**

Faculty Profile

- REC Ambedkar Nagar has highly qualified faculty that provides a perfect base for raising students into true engineers that can adapt to changing industrial trends.
- **85%** of our faculty are from **IITs, NITs** and **Central Universities**.
- **72%** of our faculty are either holding or pursuing **Ph.D**.
- Most of our faculty members have qualified the benchmark exams in their respective field like **GATE**, **CSIR** and **UGC-NET**.

Dr. Prabhu Dutt Dwivedi,

MMS, Ph.D. (MNNIT Allahabad)

Dr. Amit Kumar Pandey,

M. Tech (MNNIT Allahabad), Ph.D. (MNNIT Allahabad)

Highlights of REC Ambedkar Nagar

- Rajkiya Engineering College (R.E.C.) Ambedkar Nagar was established by Government of Uttar Pradesh in year 2010.

- Institute is covered under World Bank assisted TEQIP-III (Technical Education Quality Improvement Program, Phase II).

- REC Ambedkar Nagar has been recognized as a Research Centre by Hon'ble Vice Chancellor, AKTU Lucknow.

Andragogy

- 33 regular faculty members having degrees from IITs, NITs and Central Universities.

- Faculty members are involved in cutting-edge research and contribute more than 100 research papers per year for Indian as well as International Journals and Conferences.

- Estimated **faculty student ratio is 1:15**, which facilitates personal attention.

- Our faculty are at the forefront of technical education and research, creating thought-provoking and challenging programmes for our students.

Why Recruit from REC Ambedkar Nagar

- REC Ambedkar Nagar is AICTE approved government engineering college with well-established library and laboratories.

- The top rankers of UPSEE take admission in REC Ambedkar Nagar.
  - ✓ Toughness of entrance exam and cut-throat competition ensures that only those with superior quantitative/ analytical calibre and scientific ability enter
  - ✓ Most students have a history of academic excellence in their respective areas
  - ✓ The desire to face competition and succeed translates into other fields too

- Every year large number of students qualifies various PSU examinations.

- Our Students produce best results year after year in various national level competitive exams like GATE.

- The alumni of REC Ambedkar Nagar are of the highest calibre and repute. Many of them have reached positions of eminence in their selected fields of professions

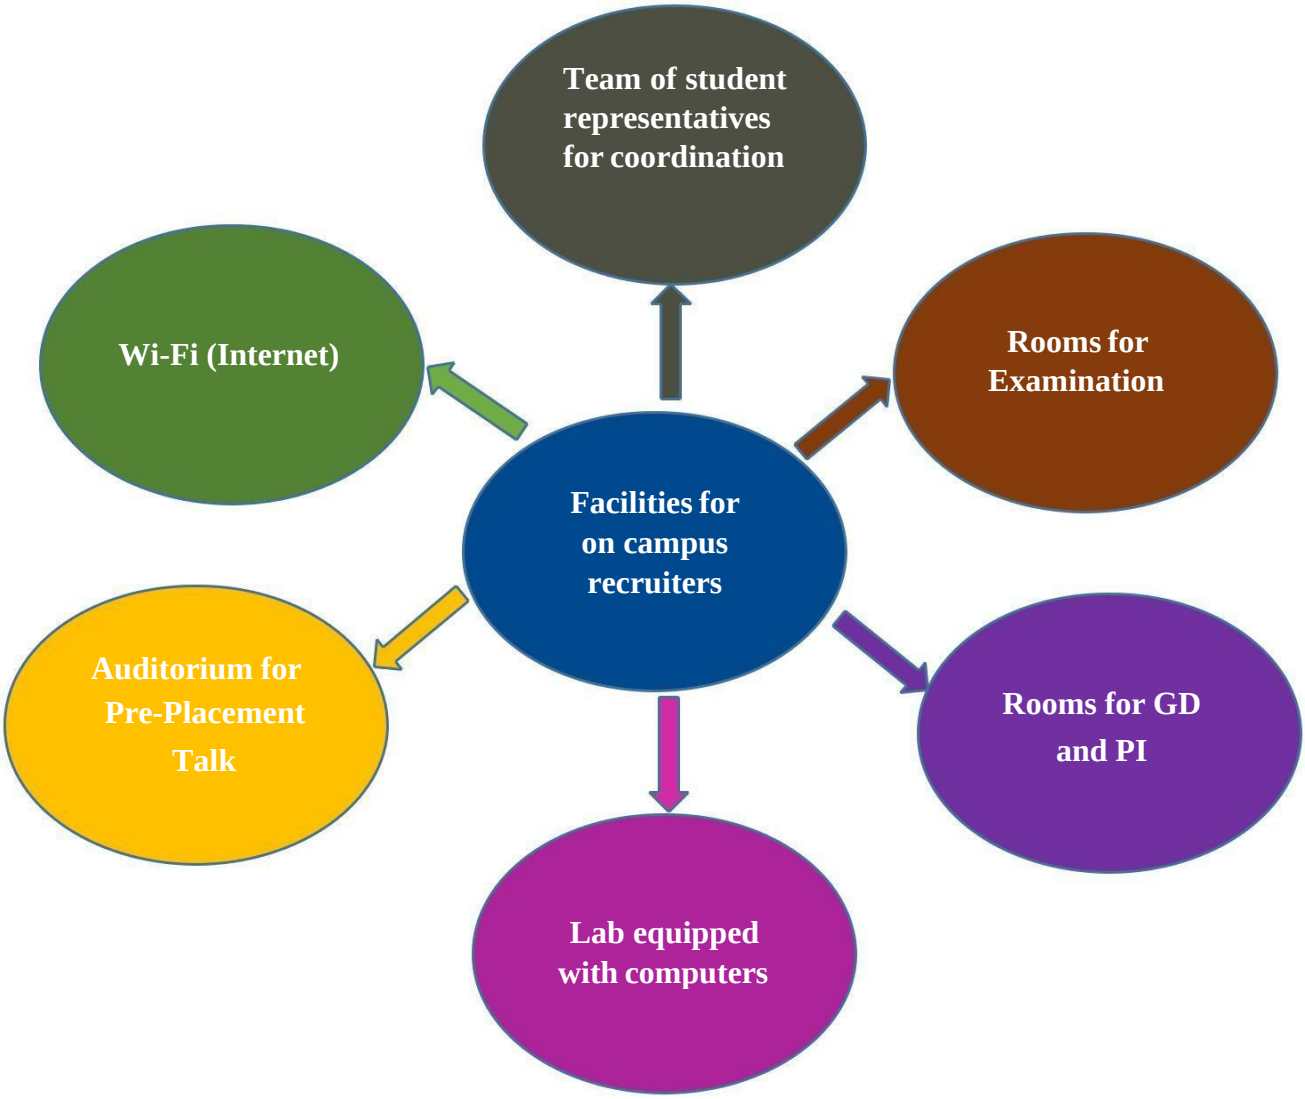
Facilities for on campus recruiters



The college provides all necessary infrastructural facilities and logistics required for the placement drive. The company is requested to inform the college placement cell about the arrangements required for the placement drive

Beyond Academics

We strive to develop the overall personality of our students. There are a number of technical and cultural events organized by both the students and the administration round the year to allow the students to showcase and enhance their talents, be it in sports, arts or technical events.

Student Activity Center

The Rajkiya Engineering College has created a model facility in the name of StudentsActivities Centre in the premises of the College adjacent to Sports Complex. Indoor games likecarrom, chess, etc., are provided as a recreational activity for students to relax during free timeapart from providing few sports magazines.

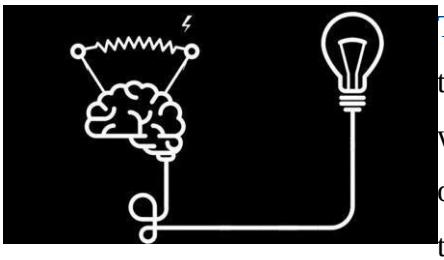
This center provides the basic framework for the execution of all student activities.

- To promote extra-curricular activities – sports, cultural, artistic and technical, among all students of the Institute.
- To help inculcate leadership, entrepreneurship and innovation among students.

- To help create a truly multi-cultural environment where students from diverse cultural backgrounds share each other's experiences in a most cordial manner.

The Council of Student Activities

The Council of Student Activities (CSA) aims to promote and develop extracurricular personality of a student. It consists of different councils as detailed under. Students are required to join at least two of the following council activities:



Technical Council: The aim of this council is to enhance the technical innovativeness of students by organizing the workshops and competitions on various technical level in order to attract the interest of the student s towards technical aspects of their education.

Literary Council: The Literary council organises various discussion sessions, workshops and competitive events among the students. By reading about life in different cultures and societies, the student's understanding of the world gets enormously enhanced and they view themselves and their lifestyle with new eyes. It benefits them both intellectually and personally.

Cultural Council: The Cultural council is entrusted with the responsibility of exploring the realms of our cultural talents. The club helps the students in grooming their hidden cultural talents.

Sports Council: The Sports council conducts various inter college and intra college sports events to pioneer spirit of teamwork among the students. The college provides excellent infrastructure for Cricket, basketball, Volleyball, Football and various other sports.

Fine Arts Council: The objective of the Fine Arts Council is to ensure the inclusion of the fine arts (music, art, drama, and dance) in college curricula. The Council strives to teach students to appreciate, understand and develop critical awareness of the products of the mind, the voice, the hand and the body.

Hobby Council: The object of the Council ise to encourage the collection of literary, artistic and scientific works; to aid in the development of literary, artistic and scientific matters; to promote social and literary intercourse among its members, and the discussion and consideration of various literary and economic subjects

EVENTS

Apart from the academic, co-curricular and extracurricular activities, students are also take part in various fest coordinated and conducted by themselves under the able guidance of institute and faculty. Few of these are listed below –

'**AVIGHNA**' – An annual college festival.

'**KSHITIZ**' – An annual sports festival

Summer Internships-B.Tech

To further their academic training, experimental skills and research aptitude, students undergo summer internship after their 6th semester which also gives them ample exposure to industrial work and lifestyle. A few of the esteemed companies and institutions where the present batch has interned are:

Places to visit near Ambedkar Nagar

- Ambedkar Nagar district on the banks of river Ghaghara is very popular for the religious places in and around the district. Following is a list of some of these places:-

AYODHYA

Distance between Akbarpur and Ayodhya is 54 Kms. Being the birthplace of Lord Rama and the five of Jainism's 24 Tirthankaras, this land has many mythological and sacred bonds.

VARANASI

Distance between Akbarpur and Varanasi is 134 Kms. Varanasi or Banaras, mentioned in the scriptures as Kashi is a paragon of Indian culture, philosophy, traditions and spiritual ethos since times immemorial. It is among the Sapta Puries, meaning seven sacred cities of Ancient India.

PRAYAGRAJ

Distance between Akbarpur and Allahabad is 154 Kms. Allahabad is one of the destinations which holds the Kumbh Mela, world's largest congregation of devotees. The city has been described in ancient scriptures as 'Teerthraj', the holiest pilgrimage centre and is indeed a perfect place to have a soulful escape.

KUSHINAGAR

Distance between Akbarpur and Kushinagar is 180 Kms. Kushinagar is one of the four important pilgrimage sites for Buddhists all over the world. Kushinagar is the sacred place chosen by Lord Buddha himself to achieve Mahaparinirvana. This is the place where he was cremated and his relics were distributed.

KICHHAUCHHA SHARIF

Ashrafpur Kichhauchha is a town in Ambedkar Nagar district with the nearest railway station at Akbarpur, about 25 km away. It is well known as the shrine of famous Sufi Saint Saiyad Makhdhum Shah Jahangir Asharfi. He was born in Semnan, Iran, and made a notable contribution to the advancement of the Chishti lineage in particular. The saint had travelled widely to spread the message of peace to the people. The Kichhauchha Dargah Sharif is built over a small hill which is surrounded by a pond. The whole complex is decorated with marble, tiles and glasses. Thousands of pilgrims from all over India and elsewhere visit the shrine throughout the year.

Accommodation in Ambedkar Nagar

The district provides its tourists and travellers with good accommodation facility. Here is a list of places to stay at in Ambedkar Nagar.

- **Hotel Aviral Palace:** Hotel Aviral Palace is a boutique hotel with well-appointed Air Conditioner Rooms, lively cuisines and incredible services located at Gandhi Nagar, Akbarpur, Ambedkar Nagar, Uttar Pradesh. It is close to every significant palace and all the doorways of this beautiful city.

  Website: www.aviralpalace.com/

- **Hotel Sai Plaza:** Each room has in-room amenities like temperature controller, tea/coffee maker, room heater, wardrobes and attached bathroom with hot and cold water supply.
- **Gomti Inn Hotel:** The Hotel's suites in The HEART OF THE CITY, provides guests with unique and enchanting views from their rooms. With its exceptional amenities, Akbarpur's Best Hotel meets the needs of every holidayer and business guest, with their friendly and professional hotel staff.
