One-Week National Workshop
On

"Techno-Entrepreneurship Skill Training (NURTURE PROGRAM)" On Aeromodelling
~~Nov 28- Dec 03, 2023~~
01-06 Jan, 2024

Registration Form
Please complete the details below
Name (Mr. /Ms.): _____

Designation: _____

Department: _____

Organization: _____

Highest Qualification: _____

Specialization: _____

Address: _____
_____
Tel. No. (Mob): _____

E-mail ID: _____

Aadhar Number: --

Declaration:
The information provided above is true to the best of my knowledge. If selected, I agree to abide by the rules and regulations of the workshop and shall attend the workshop for the entire duration.
Date:

Signature of the Candidate

Signature of Head of Department/Institute
Note:
- **Program Mode: Offline**
- **Registration Fee: Nil**
- **Online Registration Preferable**

About the Workshop: Rajkiya Engineering College (REC) Ambedkar Nagar in cooperation with Cograd Pvt. Ltd. is conducting a One-Week National Workshop on "**Techno-Entrepreneurship Skill Training (NURTURE PROGRAM)**" in offline mode. Industry experts from Cograd handle the whole course. The major Course Contents includes theory, Practical demonstration and developments of live projects in the field of Robotics, AI/ML, Coding and other upcoming technologies. Cograd is working on delivering next gen technical education in amalgamation of the traditional education. We have been working with various technologies to make them a part of the curriculum. As IHFC will provide service providers who can train and mentor students on emerging tech. Here are the following emerging technologies on which we can collaborate and provide workshops to the beneficiaries.

1. Basics Electronics
2. Robotics
3. Aeromodelling
4. Drone Development
5. Computer Coding
6. Web and App Development
7. 3D Modelling and 3D Printing

About the Institute: Government of Uttar Pradesh established Rajkiya Engineering College (R.E.C.) Ambedkar Nagar. The college is offering B.Tech Programme in three disciplines – Information Technology (IT), Electrical Engineering (EE) and Civil Engineering (CE) with intake of 60 seats in each branches. The students are extensively expose to cross-cultural environment as candidates from other states such as Jammu & Kashmir, Madhya Pradesh; Rajasthan etc. also join this college. REC Ambedkar Nagar is fully residential institution with three hostels for boys and one for girls presently.

About the Departments: The Department of Information Technology established in 2010 with an intake of 60 students. The department has highly qualified, committed and well experienced faculty members with varied specializations. The faculties are involved in organizing and participating in several seminars, conferences and workshops in addition to their academic responsibilities. They have also published research papers in various national and international journals, presented papers in conferences in India. Over the years, the department has become a centre of excellence, providing in-depth technical knowledge and opportunities for innovation and research, with well-equipped computer facilities, virtual classroom and R & D labs.

Information Technology Department is the first point of contact for the campus community by supporting telephone, computing, networking, and applications. IT Department is dedicated to facilitate and enhance teaching, learning, and administrative services and to increase the productivity and efficiency using information technology resources.

Target audience:
- UG Students

Note: **Participants advised to make self-arrangements of laptops and high-speed internet facility for hands-on practice during the sessions.**

Registration Fee: Nil
Please note that only those participants **who have successfully completed the workshop with 80% attendance will get their certificate.**

Registration Process: For registration, the participants are required to register through the following links: https://forms.gle/vQCruQPq7goDDhBt9 Before 27 November 2023.

Selection Criteria: The criterion of selection is completed form submission.

Travelling Allowance and Accommodation:

Not Applicable As this program is in online mode. Further, the details of joining the workshop will send to the selected participants in later stages.

Important Date:

Date of Event	~~28th Nov to 3rd Dec, 2023~~
	01-06 Jan,2024
Registration Open	**22nd Nov, 2023**
Registration Closed	~~27th Nov, 2023~~
	29th Dec, 2023

Resource Persons: The resource persons for this Workshop is industry person with software development and training background from the renowned places.
